COMMENTS ON STATEMENTS OF REASONS FOR ALLOWANCE

Sir:

Under 37 C.F.R. § 1.104(e), Statements of Reasons for Allowance are intended only as a supplement to the record as a whole when that record is not clear, and shall not be treated as a substitute for the record or in a manner inconsistent with the record.

Therefore, Applicants reject any of the examiner's reasons for allowance that are inconsistent with the record as a whole prior to the Examiner's Statement of Reasons for Allowance, and do not accept any claim interpretation that is inconsistent with that afforded by the record as a whole prior to the Examiner's Statement of Reasons for Allowance.

No limitation or construction should be inferred from the examiner's statement under
Rule 104(e).

Respectfully submitted,

Dated: 12-16-09
